Shock

# PRE-RIDE INSPECTION

Inspecting and checking the condition of the Go Kart before each ride is important. Following the pre-ride check list will help insure the you do not have mechanical problems which could result in injury or becoming stranded. Make sure the Go Kart is in good operating condition before each ride.

## WARNING

Failing to inspect and maintain your Go Kart could be hazardous.

Not following the pre-ride inspection procedures could result in losing control of the Go Kart resulting in an accident or damage to the Go Kart

Always perform a Pre-ride inspection before each ride.

## WARNING

Performing maintenance and checks while the engine is running could be hazardous.

You could be severely injured by moving parts or hot surfaces.

Never perform maintenance or check procedures while the engine is running with the exception of checking the ignition switch or throttle.

WHAT TO CHECK	CHECK FOR
Steering	<ul style="list-style-type: none"> <li>• Smoothness</li> <li>• No restriction of movement</li> </ul>
Brakes	<ul style="list-style-type: none"> <li>• Correct fluid level</li> <li>• Inspect hoses for leaks</li> <li>• Inspect brake pads for wear.</li> </ul>
Tires	<ul style="list-style-type: none"> <li>• Proper tire pressure</li> <li>• Proper tread depth</li> <li>• Rubber has no cracks</li> </ul>
Fuel Tank	<ul style="list-style-type: none"> <li>• Enough fuel for the ride</li> <li>• Fuel cap secure</li> <li>• Hoses have no signs of cracks or leaks</li> </ul>
Throttle Pedal	<ul style="list-style-type: none"> <li>• Pedal snaps back to idle when released</li> <li>• Operates freely</li> </ul>
Engine Ignition switch	<ul style="list-style-type: none"> <li>• Switch shuts off engine when activated.</li> </ul>
Engine Oil	<ul style="list-style-type: none"> <li>• Correct oil level</li> </ul>
Torque Converter Guard	<ul style="list-style-type: none"> <li>• No damage</li> <li>• Securely attached</li> </ul>
Drive Chain	<ul style="list-style-type: none"> <li>• Proper tension</li> <li>• Lubricated</li> <li>• No excessive wear or damage</li> </ul>
General Condition	<ul style="list-style-type: none"> <li>• All nuts and bolts tight</li> <li>• No rattles from engine or frame while running</li> </ul>

**▲ WARNING**

Never Attempt to start this Go-Kart without reading and understanding the Owner's/Operator's manual. The Owner's/Operator's manual provides information on safety, parts, functions, pre-ride inspection, starting and maintenance.
